### The Pursuit Of Happiness

When Thomas Jefferson drafted the Declaration of Independence, among the truths he held to be self-evident were the "unalienable" rights of "Life, Liberty and the pursuit of Happiness."

In his original draft the phrase appeared "Life, Liberty and Property," but gifted in the use of words, he probably felt happiness had more of an appeal to the colonists, who relied on the protection of Divine Providence and mutually pledged to each other their lives, fortunes and their sacred honor.

## Politics?

Even if they are being "played" our way, "Playing Politics" makes most of us conjure up a sort of bad picture, and neither Hancock County nor Mississippi has any monopoly on that aspect of government. In fact it's done every place with which we have any familiarity but the result isn't usually as bad as the picture it brings to mind, unless, of course, it's the "other side" that's calling the signals.

The are, however, some fields in which the "you scratch my back and I'll scratch yours" policy has no place—not even a little one. Included in this category are hospitals. The extreme and obvious illustration would be that we don't want the doctor wondering whether we voted Democratic or Republican while he is cutting on our appendix. The overall management of the semi-medical aspect of a hospital doesn't provide such a dramatic example.

It looks like politics in its not quite so nice sense may be getting into our Hancock General Hospital. We don't know it, we can't prove it but it smells like it. At two recent meetings of the hospital board one or more members have even publicly said so.

Again while we can't prove it and may be wrong we think we know what's in the background. The board of supervisors appoints the hospital board. Since January the supervisors on most debatable matters have split 3-2, particularly when dealing with the "politics" personnel question. This year the terms of three of the seven members of the hospital board expires. They were appointed by the "old" board of supervisors. People on both sides of the political fence wonder if they will be reappointed, particularly since the hospital board is sometimes split in its vote on personnel.

Those whose terms expire this year are the two who represent the county at large, Mr. Norton Haas and Mr. Kenneth Peppercene, and district 4's member, Justice of the Peace Frank Selph. Among themselves those three frequently split on their votes, the pattern when they disagree showing Mr. Haas and Mr. Peppercene usually on opposite sides and Judge Selph concurring this time with Mr. Haas and the next with Mr. Peppercene. (For the record, this Editor's view more often than not has been that of Mr. Selph.)

Respective of whether on particular hospital matters you agree with any member, we have a good hospital board and Messrs. Haas, Peppercene and Selph have shown themselves to be more than merely competent and interested. Mr. Peppercene is treasurer of the board and Mr. Haas is secretary. Mr. Peppercene probably spends more time on hospital matters than does any member of the board.

Without the "politics" background this paper thinks all three should be reappointed, because the board of supervisors would have a hard time finding as good public servants and couldn't find any as experienced with our hospital. Because people are worried about politics in our hospital we think it is even more important Mr. Peppercene, Mr. Selph and Mr. Haas be reappointed. It would be reassuring.

Furthermore, we have a sneaking suspicion they will be. While Mr. Lavinghouse, Beat 3's supervisor and Mr. Hubbard, Beat 5's, frequently disagree in their votes, since Mr. Hubbard, voted for the earlier appointments and since Mr. Lavinghouse was a member of the hospital board until elected supervisor and must know firsthand the danger of politics creeping into that operation, we think this time they may vote the same way.

Even better would be a 5-0 vote for reappointment of these men.

## Buy Mississippi!

Notwithstanding the experience on school matters of Mr. Charles Murphy and Rev. S. P. Powell there are some times we just think they make mistakes in judgment. One such occasion occurred this week.

By the law of Mississippi the price of school bus bodies is set. Presumably this is done so that, even if you buy one from yourself, nobody can make a financial killing. Other Mississippi statutes encourage, but do not require, our public bodies to buy what they need in Mississippi. In other words our law advocates "buy Mississippi" and that's a good idea.

Our county school system this week ordered some new school bus bodies, Blue Bird bodies. They ordered them from the fine state of Georgia. Similar bodies are also made and sold by Mississippians in the fine state of Mississippi. We don't care if they are Blackbirds, Redbirds, Bluebirds or crows, but we buy Mississippi birds unless there is a legitimate and affirmative reason otherwise.

What's the reason our county schools buy Georgia?

### School Board...

Miss Mary Ellen Favre, 18-year-old daughter of Mr. and Mrs. Leonard Favre, left Sunday afternoon for Charity Hospital in New Orleans to enter training as a practical nurse.

### By Gone Days

10 YEARS AGO  
July 20, 1951—Miss Mary Ellen Favre, 18-year-old daughter of Mr. and Mrs. Leonard Favre, left Sunday afternoon for Charity Hospital in New Orleans to enter training as a practical nurse.

25 YEARS AGO  
July 17, 1936—The Softball League has just about reached its halfway mark and now the teams are fighting hard for position in the home stretch. Friday night found the Mobile Express passing the Mobile City All-Stars just as they would a pitcher. As a matter of fact, Vincent Morreale's men took them in stride 14-2. The Stars would only get four hits off Collier while the Expressmen gathered 13 from Olsen.

Don't be discouraged by McGarry for the coming season starting Aug. 1 and ending on May 25. The Stars will be on the field.

**WATERSPOUT IN BAY**—This picture of the waterspout in the Bay of St. Louis July 8 was snapped by Mrs. Athlea Roello of New Orleans who was visiting at Bay Waveland Yacht Club at the time. With camera handy she succeeded in getting a series of photos depicting the cycle of the spout.

## Swimmers Are Warned About Snakes in Bay

Swimmers are warned to be on the lookout for snakes, both poisonous and harmless, driven into the Bay recently by the heavy rainfall. Several water moccasins have been killed during the past week, one last Thursday near the swimming area of Bay Waveland Yacht Club.

More rain has been recorded here than ever before, or, at least the past 68 years when definite records have been kept by the New Orleans Weather Bureau.

Old timers claim it is the heaviest they remember and note even though most snakes prefer a habitat of fresh water, the waters of the Bay have become brackish from flooding out of fresh water bodies emptying into them and the reptiles have come with the waters.

## Bay Church Host 10 MYF Sub-District

The Bay St. Louis sub-district of the Methodist Youth Fellowship met Monday night at Main St. Methodist Church with members attending from Long Beach, Pass Christian, Logtown and elsewhere.

## Traps Win, Old Stars Lose II

Trapani won their 11th straight victory Wednesday night when they defeated the Old Stars 10-3 in the second game of a doubleheader. Southern Realty strengthened their grip on second place in the opener by defeating Kila Youth Center 5-1.

Trapani had it easy throughout Wednesday's game. Donald Strong and Claude Yarbrough each had four hits to lead the offensive attack. Yarbrough was the winning pitcher while Ray Kild took the loss, 11th straight loss for the winless Old Stars.

Southern Realty won their eighth win of the year against three losses in beating Kila Youth Center. Ronde Peterson went all the way on the mound for Southern Realty, allowing only three hits. Alton Lader was charged with the loss.

In Monday's doubleheader, Coast Electric evened their season record at five wins and five losses, and moved into a tie for fourth place with Kila Youth as they defeated the Old Stars. Cecil Lader was the winning pitcher.

In the second game Monday, Kila Youth Center cooled off the red-hot Knights of Columbus, fresh from an upset win over Reintke the week before, 12-10. Alton Lader was the winning pitcher.

Friday's twin-bill saw two one-run decisions as Trapani edged Reintke's Dirt Dobbers 6-5 and Southern Realty beat Kila Youth 9-8.

## Don's Drops Semi-Final At Biloxi

Aughlinbaugh Cleaners captured first place in the women's softball tournament at the Biloxi VA Hospital Sunday, defeating Gulfview 18-11 in the finals. Four teams from Biloxi and four from Bay St. Louis participated.

Don's was the only member of the local league to reach the semi-finals. They beat Shamrock Cleaners 6-5 in 8 innings in a first round game, but lost 17-3 in the next round to the eventual champs.

In the opening round Gulfview edged Jerome's 5-3. Audrey's Beauty Shop squeezed by OLG 9-8, and league-leading Moran's gave Aughlinbaugh their closest game, losing 6-1. Gulfview beat Audrey's 7-5 in the semi-finals.

Plans are underway for a return tournament with the same teams participating, probably July 30.

**IN FATAL CRASH** - This huge bus was damaged to its right front in a mishap early Monday on U. S. 90 in which a young serviceman was fatally injured. N. A. Perdicola Wrecker and Ambulance towed in the truck and took the injured to Hancock General Hospital where Lynn Carter died at 4:15 a.m.

### Deaths

**T.M. Prator**  
Final rites were Saturday morning in New Orleans for T. Mangum Prator, 72, of Waveland who died at 6:30 a.m. Friday in Hancock General Hospital after being confined there for nine days. Interment was in Hope Mausoleum.

A resident of Waveland, he was a retired certified public accountant for Southern Bell Telephone Co., and was the son of the late Middle Perkins and Thomas Prator and the husband of the late Mrs. Lillian Gross Mangum.

Surviving are three sons, T. Mangum Prator, Jr., Robert A. Prator and James G. Prator, all of New Orleans; three daughters, Mrs. W. E. Bauldwin, Mrs. Glen R. Harsh and Mrs. George E. Wiegand, also of New Orleans; one sister, Mrs. R. H. Harrill, and one brother, Prayor Haynes Prator, both of Savannah, Ga.; 18 grandchildren and six great-grandchildren.

has control over repayment and said the board, as a legislative body, could be subpoenaed to appear but doubted they could be sued successfully.

Supervisor J. M. Frierson observed that McCarty had "inherited" \$44,000 worth of indebtedness when he took office and wondered whether that board could do any more than pay on the most recent loan. Charles Lovinghouse of Beat 3 remarked that unless some payment is forthcoming the supervisors should tell the school system to look elsewhere when next they seek money and Necaise added he had to assume bond obligations of his predecessor.

On a minor matter and on Lovinghouse's motion, seconded by Charles A. Russ, the board voted to pay the Sea Coast Echo for printing minutes of the May session when advertising for the contract for the next two years was overlooked. The Hancock County Eagle, on last and successful bidder, is now under contract to print the minutes during the April, 1963, meeting.

funds of all five beats also were exceeded. Hubbard, meanwhile, telephoned the state audit department in Jackson to inquire about the supervisors' liability on their bonds in overspending and again came back with the suggestion only mandatory bills be paid. Gex finally asked the board to go over the 1960 preliminary audit closely and take up the matter again Monday while Hubbard asked Leander to report on revenue collected on the seven-mile levy to date this year.

Hubbard also questioned whether several arrest fees could be charged when a person is booked on different counts, at the same time with Gex advising that a justice of the peace is entitled to a fee on each charge before him.

The county board of education and Superintendent K. G. McCarty were requested to appear Monday on the question of payment on a \$12,000 loan from the supervisors made last year to purchase two new school buses. Hubbard said that the supervisors had been informed by McCarty and Walter J. Phillips, attorney for the school board, that \$8,000 was budgeted for repayment of that and other previous loans but no money had been received. He added that the money is needed for the road and bridge bond fund, which is due in 1963, and expressed concern over a report that McCarty opposed repaying loans made under previous administrations.

Gex advised that the school board and not the superintendent

**MRS. EDWARD S. PERRY**  
**Miss Moody and Mr. Perry**  
**Wed in Poplarville Rites**

A large medallion arrangement of white chrysanthemums, daisies, and greenery decorated the altar of First Baptist Church of Poplarville where, at a candlelight service at 7 p.m. last Friday, Miss Miriam Moody, daughter of Mr. and Mrs. John Solomon Moody of Poplarville, was married to Edward Samuel Perry of Bay St. Louis, La. The bride, who is the daughter of Mr. E. S. Perry of this city and the late Mr. Perry, was escorted by Rev. Schuyler M. Batson of Oxford, performed the double ring ceremony before a backing of ground of palms, cascades of white and potted greenery.

The bride, escorted by her father, wore an original gown of blue and white tulle with a cathedral train falling in folds beneath two large satin roses embroidered with seed pearls. Her veil of illusion was held by a satin and pearl headpiece and she carried a cascade bouquet of gardenias and stephanotis.

Attending the bride were Mrs. Frank L. Brister, Jr., of Jackson, who was matron of honor, Mrs. William R. Schlaudt also of Jackson, and Miss Pat Weir of Poplarville. They wore gowns of silk or tulle in a shade of blue or white. Their Elinor Elizabeth headpieces were melon colored and they carried cascade bouquets of golden bronze pom-poms on melon-toned tulle. Their accessories were in golden beige.

John Stevens of Ft. Worth was Mr. Perry's best man; Dr. Jack Schreder of Chamberla, Ga., and Rep. M. Stevens, Jr., of Mobile were groomsmen. Louis A. Hurst of Jackson and Buddy Moody of Poplarville served as ushers. Robin Schlaudt of Jackson was ring bearer.

Following the ceremony, a reception was held at the home of the bride's parents.

Dresden cherub holders filled with pink sweetheart roses and Queen Anne roses, and pink and white carnations and pom-poms in two silver and crystal epergnes were placed about the reception room. The bride's table, covered with an imported cutwork cloth, held silver candelabras with pink and white tapers surrounded by pink sweetheart roses and stephanotis. A traditional four-tiered wedding cake arranged on a white mirrored plateau centered the table.

Mrs. Moody wore an ice blue lace and chiffon gown and hat, while Mrs. Perry's chiffon sheath was a shade of Capri blue. She wore a small silk hat. Their corsages were of white phalaenopsis orchids. Also assisting

Rev. Bernard Haddican performed the double ring ceremony at 1 p.m. before an altar flanked by basket arrangements of daisies, greenery and potted palms.

The bride, given in marriage by her father, wore a gown of nylon tulle and Chantilly lace. The short sleeved bodice was of lace and featured a scalloped neckline. Rows of nylon ruffles formed a n apron effect at the front of the full skirt and the entire gown was hand embroidered with seed pearls and sequins by the bride's aunt, Mrs. Nellus Rhodes. Her fingertip veil of illusion was held by a petal shaped lace cap embroidered with orange blossoms and seed pearls and she carried a bouquet of tiny orchids.

Miss Sally Chevis was maid of honor. Bridesmaids were Misses Gay Rhodes, cousin of the bride; Dianne Manning of New Orleans, and Betty Martin of Waveland. Their gowns were of melon colored tulle over taffeta with pleated bodices and very full skirts. Circlets of powder blue daisies and matching tulle formed their headpieces and they carried bouquets of blue daisies.

Introduce Vacationers and Industries to the Gulf South

Another in the series of United Gas advertisements featuring attractions for tourists and pointing out advantages for industries is currently appearing in three national magazines. It is scheduled in the July 10 issue of U.S. News & World Report, the July 17 issue of Newsweek and the July 21 issue of Time. This is one of the important ways in which United Gas promotes the economic growth of the areas it serves in Texas, Louisiana, Mississippi, Alabama and Florida... the Gulf South.

## Osborne Paces Sheriffs, Schindler Stars for Ken

Home runs by first baseman Eddie Osborne and catcher Danny Krankey sparked the Junior Sheriffs to an 18-4 victory over the Coast Electric-Kids Monday night in Little League baseball activity.

Coast Electric spotted the Junior Sheriffs two runs in the first, then took a 3-2 lead with three runs in the top of the third. The Sheriffs, however, came back with six runs in their half of the third and scored 10 times in the bottom of the fourth. Coast Electric added a single rally in the fifth.

Lethander Dean Taylor went all the way on the mound for the Junior Sheriffs while David Comer went the distance for Coast Electric. Danny Krankey was the leading hitter with two singles, a triple, and a grand slam home run in four trips to the plate. He batted in eight of his team's runs.

## Basil Kennedy Cops 2 Races

Nine races were sailed over the weekend at Bay-Waveland Yacht Club with Basil Kennedy taking the only double winner. He won the Class A and GP-14 races Saturday.

In Class A, Kennedy was followed by Dean Taylor, Bill Egan, and Cooper, C. A. Murry and Dick Neves.

Bill Bosworth was second in the GP-14 race, Susan Clark third, Bill Pittman fourth and Kennedy fifth.

The first of two expert races was won by Bill Watts, Jr. Carl Marshall was second, Gary Taylor third, Henry Balter fourth, Leroy McFarland fifth. Don Rennie won the second following by Harry Chapman, Jack Gory, C. C. McDonald and Henry Rine.

Jim Gilly won the junior race Sunday with Artie Geary second, Jay Sewell third and Dale McFarland fourth. Bill Kennedy fouled out. Bady won Saturday's skipper race. Next were Jean Betty Gordon, Ann Clark, Taylor and Violet Collins. Sunday's action was cut down because of squally weather in the afternoon. Three races were completed, however, before the weather set in.

Harry Chapman won the expert class followed by Gary Taylor, Carl Marshall, Don Prentice, Quigley and Henry Balter. Watts won in Class A with Reeves second, Walter McFarland third, Chuck Breath and Bill Egan fifth. The race was won to Mike Reeves.

Taylor was second, Jim third, Mike Egan fourth, Poindexter fifth and John sixth.

**Boats, Breath, Chamberlain Motion Entries**

Red Watts, Walter Chambers and Chuck Breath qualified to represent Bay-Waveland Yacht Club in the Gulf States Junior Lipton Cup Regatta Saturday and Sunday at the Southern Yacht Club in Miami.

In the second game of the night, Larry Gagnon of Ken's Little Diggers and Pat Cullen of 7-Up locked up in a tight pitching duel which saw their teams battle to a 1-1 tie. The game was called after the regulation five innings to make way for softball games and will be completed at a later date.

Second-baseman Al Jacobi gave 7-Up a 1-0 lead in the bottom of the first inning when he drove in a run with a booming triple to right-centerfield. Ken's went hitless until the fourth when, after two walks, first baseman Sheldon Bourgeois singled home the tying run.

Saturday afternoon, in the first game, the Junior Sheriffs defeated 7-Up 10-1. Dean Taylor had a home run to lead the attack. Sylvan Ladner was the winning pitcher for the Junior Sheriffs, who never trailed, and Claude Yarbrough was the losing hurler.

The second game saw Coast Electric score a run in the bottom of the fifth to break a tie and post a 4-3 victory over Ken's. The winning run scored after a pop up, ruled an infield fly, was dropped, thereby enabling all baserunners to advance at their own risk. The bases were loaded at the time, and the runner on third base came home.

Jay Warner went all the way on the mound for the Coast Electric-Kids. Don Ladner was charged with the loss.

Coast Electric battled 7-Up and the Junior Sheriffs met Ken's Little Diggers both on Thursday and Friday, each team winning once.

## Zimmerle Resigns

James (Cooter) Zimmerle has resigned as assistant football coach at St. Stanislaus College as well as athletic director of the Little League School in Baton Rouge, his alma mater, where he will be assistant grid coach.

Zimmerle will continue to work with the Little League until Aug. 1. Mrs. Theo Tudury, chairman of the Parks and Playgrounds Commission, said there are no plans to replace Zimmerle at that time as the season will be nearly over. Managers of the various teams would perform most of his duties, she added.

Zimmerle came to St. Stanislaus three years ago from Jesuit High in New Orleans. He is a graduate of Tulane.

Brother Hugh, president of St. Stanislaus, said a successor has not yet been named but he hopes to do so immediately. Zimmerle is the second coach at the school to resign within the last two months. Wayne Dugas, also an assistant football coach, resigned in May to go to Catholic High in Donaldsonville, La.

## Jacobi Aids 7-Up In Upset

A two-run home run by Al Jacobi in the bottom of the fourth inning Tuesday afternoon gave 7-Up a 2-1 upset victory over first-place Junior Sheriffs in the 10-12 age Little League, and moved 7-Up to within half a game of the second-round lead.

In the first game of the double-header, Coast Electric whitewashed Ken's Little Diggers 9-0. The Junior Sheriffs broke on top in the top half of the first inning when leadoff hitter Sylvan Ladner grounded a single into rightfield, stole second, and came home on Mike Collier's double to leftfield. Pitcher Jacobi then settled down to retire the rest of the game. Ladner, pitching for the Sheriffs, had given up but one hit going to the bottom of the fourth.

Claude Yarbrough led off the fourth for 7-Up with the second hit off Ladner, a line-drive single to leftfield. After Perry Stephens had grounded into a force-out, Jacobi followed with his blast over leftfielder Aggie Orr's head. Pat Cullen and Anthony Ladner hit bat-to-bat singles with still only one out but the threat died as the next two batters were retired.

The Junior Sheriffs got a man to second base with only one out in the top of the fifth, but Jacobi struck out Dean Taylor and got Danny Krankey to pop up to shortstop and end the game.

Jacobi was the winning pitcher giving up one run, three hits, walking six, and striking out five. Ladner was the loser, allowing two runs, five hits, walking only one and striking out one.

Coast Electric unleashed a heavy hitting assault against the Diggers to move into third place and push the Diggers down into the cellar. The Coast Electric-Kids blasted 14 hits, eight for extra bases, including five triples.

Ken Rauxler led the attack with a triple and a three-run home run. M. J. Rhodes hit a triple and a home run but was called out after coming in for his homer for not touching second base and the run didn't count. John Heath had a triple and a double. Jay Warner and Ronnie Genin, a triple and a single.

Monti Rhodes went the distance on the mound for the winners, allowing two hits. Bert Chevies was loser.

out a base hit and the Oilers tied it at 1-1 in the bottom of the second. When neither scored in the third the contest went into extra innings. The Pennies took a 2-1 lead in the top of the fourth when Steve Fleming walked, stole second, third, and came home when the catcher threw wild into leftfield trying to get Fleming at third. The Oilers evened things in the bottom of the fourth when Lon Caldwell walked, stole second base, stole third, and after a walk to Raymond Stephens, came home on Ricky Cullen's grounder to first base.

Estapa, leading off in the top of the fifth, then broke the deadlock with his round tripper. The Oilers threatened in the bottom of the fifth when Phil Colson walked and stole second and third bases with only one out. Estapa went all the way on the mound for the Pennies, striking out nine batters. Don Caldwell was the loser and struck out 13 batters.

In Sunday night's game, the Oilers won a thriller, again in extra innings, 5-4. Each team had one hit. Melvin Soffe singled for the only Oiler hit and Mark Cullen singled for Merchants Bank.

With the score tied, 3-3, after the regulation three innings, the **Pascagoula Tops Legion Juniors**

League-leading Pascagoula swept a doubleheader from Bay St. Louis Wednesday at Pascagoula, winning the first game 9-2 and taking a 13-3 decision in the nightcap in American Legion junior baseball play.

The local club managed to get only three hits in the opener. Richard Schaefer had two hits and Teddo Thomas the other. Pascagoula collected seven. Curtis Matherne was the losing pitcher.

In the second game Schaefer got the only hit. Roddy Henley started on the mound and was relieved by Nodie Ladner.

# Fishing With Jimmy Specks Are Slowing Up

Speckled trout fishing is slowing down but undoubtedly will pick up if the weather holds up like it has been doing. Most all of the specks are being caught off the seawall, mouth of the river, and Half Moon.

Green trout and perch are still biting pretty good but with the green of sun, most small ponds and lakes are a little hot and green trout are seeking deeper holes where it is cooler.

Well, the people who have been out softshell crabbing didn't say whether they were catching any. We had a few reports that were very good, and some that were not so hot. It seems to be biting, we had several reports of them on the bridge that were eating holes through some people's crab nets.

## Hunting Seasons Told

Game warden Nolan Ladner has released the dates and bag limits for the 1961-62 hunting season. They are: Bob White quail, March 23 to Feb. 10, limit eight per day; wild turkeys, March 31 to April 17, limit five per day; deer, Nov. 20 to Dec. 1, 26 to 31, limit one buck per season; squirrel, Nov. 1 to Dec. 31, limit one per day.

He added that the limit on striped and white bass was upped to 30 per day.

Lorenzen and party went up Pearl River and landed 30 speckled trout. They were using dead live bait.

Jack Elliott, John Scaffide and Nolan Ladner were up the river fishing and caught 12 green trout that weighed from 1 1/4 to 1 3/4 pounds. Nolan said he was using a piece of a Uncle Josh pork ham as a big one hit him and broke his rod. Boy, they must like trout of thing to snap a fiberglass rod.

Stanley Strahan and son, Dwight, filled up a boat load of perch and green trout up Pearl River the other day.

Toy Tedford and W. L. Little went to a small shallow pond in the farm and raked up on perch, they had 75 between them. They were using fly rods and a light green bug.

## Judge Is At It Again

Judge Rene Vlosca took his two grandsons P. J. Stakelum, Jr., and Tommy Stakelum fishing early Tuesday. They caught a bushel of red snappers, flounders, specks, and of course, croakers and bluefish, using live bait for the main course and winding up with a few specks for the nightcap. Tommy, the older grandson, caught the big one of the day, a sheepshead weighing five pounds.

L. J. Lotz arose from his bed early Saturday to get in some fishing. Using a sidewinder with a yellow buck tail he caught about 10 specks out in front of the shell pile on Jerries Island.

At the end of the sea wall C. V. Thompson tangled with some red snappers. His total catch was six weighing from four to six pounds each.

**GRANDPA'S PRIZE** - Aline Sewell displays this giant specimen of a fresh water lobster or crawfish which her grandfather, Dr. A. P. Smith, and her cousin, Mike Egan caught last Friday morning in an inland bayou.

Elise Chapin, one of the many loyal women anglers, who goes out softshell crabbing rain or shine, wound up with about a dozen specks.

Jack Kramer and Camille Schaefer did pretty good this week, they went up Jordan River and caught 30 specks weighing from one to three pounds, a few flounders, some nice croakers and one blue fish weighing four lbs.

Owen Williams, who spends most of his time on the seawall in front of his place, says he just about has the croaker population cleaned out. He catches from 15 to 20 daily.

## Ask Fresh Water Release

The Mississippi Marine Conservation Commission has requested the State Game and Fish Commission to release two designated fresh water areas, the Bay of St. Louis and the area from Bayou Caddy to Pearl River and inland to the L&N Railroad bridge, as salt water bodies. If this request is granted no one would need a license to fish in these areas.

Beverly Glass caught some nice beauties of Monroe's pier early Saturday. Some of the specks weighed about two pounds.

Lynn Rose, one of the princesses in the Deep Sea fishing rodeo landed some large specks off the seawall using live shrimp.

## Scoops Take Championship

# Youth Center Gets 1st Win of Season

Held to one hit in the first three innings, Youth Center burst loose on Tuesday night to notch their first victory of the Little League season, 14-5, over Sunny Signs. In other action during the week in the 13-15 division, the Sea Coast Echo Scoops captured the first round championship and won their eighth and ninth consecutive games, both shutouts.

Youth Center scored first in the bottom of the first inning when Vincent Cuevas walked, was sacrificed to second by Sammy Carver, and scored on a single through the middle by cleanup hitter Leslie Blaize. Sunny scored four times in the top of the second, however, on four walks, an error, a batter hit by a pitch, and a two-run single by Donnie Freeman.

In the fourth, after Sunny had made it 5-1 without a hit, Youth Center began to move. Four walks and three error-riddled bases loaded ruined a chance to score more, but in the fifth, Joe Ziegler led off for Youth Center and was hit by a pitch, Leslie Blaize doubled, Pat McGinty broke the tie with a single to right, and Gary Noto brought in Blaize and McGinty with a long double. Six runs in the sixth clinched the game for Youth Center. Vincent Cuevas, Sammy Carver, and Leslie Blaize each had singles and Ross Maurigi delivered the big blow, a double over the centerfielder's head with the bases loaded.

Leslie Blaize started for Youth Center but was relieved in the third by Gary Noto, who pitched a no-hit ball the rest of the way, walking seven and striking out seven. Sam Allison started for Sunny and pitched until two were out in the seventh and final inning, giving way to Ned Heath. Allison, who seemed a bit tired

## Legion Junior Nine Wins 1st of Season

**Moran Leads...**

(Cont. from Page 9.)

Sunday's games were postponed because of the tournament in Biloxi and Thursday's schedule calls for Jerome's to meet OLG in the first game and Don's to play Moran's in the nightcap. The first game is a rained-out one rescheduled from a short time back. Sunday two rained-out games will be made up. Moran's goes against Jerome's in the opener and Don's plays OLG.

These games could well have a major bearing upon who will win the league championship, as after this week's games, there is only one game scheduled the rest of the year.
